Subject: MPD Recruitment/Retention Modernization

Ben, Bill and John --

Thanks so much for agreeing to be a Memphis Tomorrow subcommittee for the important MPD recruitment modernization work being led by Chief Alex Smith and Director Rallings. Chief Smith would like to have a few meetings through October/November where the team copied on this email meets with us to review and discuss progress and gets our input on shaping the City's pending funding request of Memphis Tomorrow.

To that end, I'm asking Allison in my office to schedule four meetings -- mid-October, end of October, mid-November and end of November. Included in the meetings would be the four of us, Chief Smith, Director Rallings, Chief McGowen and of course Austin Baker and his team.

Please be on the lookout for Allison's calls and emails to get these meetings on our calendars.

Thank you!

Blair
